

Cashel Community School

Soccer

Cashel C.S. fields boys' soccer teams at four age levels:

- ✚ First year,
- ✚ Under 14,
- ✚ Under 16
- ✚ Senior.

Recent Honours:

Last season the under 16s were the most successful, winning the South East Munster Cup by defeating Mount Sion in the final.

Competition:

Currently, the first years are awaiting their draw for the next round of the Munster Cup while the seniors have just reached the semi-final of the Senior A Munster Cup. The under 14 and Under 16 South East Cups begin in February.

Training:

All teams train one to two times per week, either after school or at lunch time.

P.J. Davern Cup:

The school also runs an internal league every year especially for first years, the P.J. Davern Cup. This is a popular and fun event with mixed teams (boys and girls) and prizes for the finalists.
