

## Beauty and the Beast

Cashel Community School is proud to present this romantic story of Beauty and the Beast. It takes place in the school hall from the 8<sup>th</sup>-11<sup>th</sup> of November. Our students have put a lot of time and effort into making this show spectacular. Our students have also worked very hard making the set for the show. This Original Disney story takes place in France. It's a magical story about a beautiful girl and her thrilling love story. If this storyline is for you, you should go see the Cashel Community School show. Tickets are on sale and are €15 and concession tickets are €10 (Wednesday night only).

# First Year Mass

On Tuesday evening October 10<sup>th</sup> our First Year Mass of Welcoming took place. This ceremony was held as a special moment of official welcome for First Years and their families. Mass was celebrated by Fr. Enda Brady. The theme of the celebration was '*Let Your Light Shine*' and in his welcome Mr. Gallagher, Principal, remarked that even in their relatively short time in school each student's light has been shining brightly. Mr. John Murray, Deputy Principal, thanked all those who organised and took part in the celebration; those who read, brought up gifts, enacted the communion reflection etc. Special words of praise were reserved for the excellent First Year Choir under the direction of Ms. Helen Colbert and the musical accompaniment of Ms Liane Bradley. Proceedings then adjourned for refreshments which brought an end to a most enjoyable evening.

# Leadership day in CCS

Leadership Day took place in Cashel Community School in October. This was a day set aside to acknowledge the achievements of students who have taken on a Leader's role in our school. Orlagh Lacey spoke on behalf of the student council and thanked Tipperary Hurler Noel McGrath for his commitment to attend. Orlagh went on to explain what leadership meant and especially what it meant here in CCS, showing good example and influencing the people around us positively.

Guest of Honour, Noel Mc Grath, spoke highly of the venture. He spoke of the value of perseverance and placed high importance on teamwork. The gathering also heard from Mr Gallagher and Mr. John Murray both of whom applauded those who were acknowledged as Leaders.

# Bóthar

On the 10th of October Aisling Fleming came to our school to talk to Transition Year students about the work of Bóthar. The Transition Year students are currently in the process of sending an in-calf heifer to Rwanda through Bóthar. Aisling talked to all the transition years together about what the work Bóthar does for families across the world and give those families a sense of achievement because they must put in the work themselves. They send over heifers, rabbits, chickens, goats and many other animals to places like Rwanda. She also told stories about the families they have helped, and are still in contact with, and how much better their lives are since receiving a Bóthar heifer.

# Maths week

Maths took pride of place in Cashel CS during 'Maths Week' in October. Our students were involved in a range of maths activities throughout the week. They took part in the online mathematics programme MangaHigh, in addition to problem solving activities and maths trails. Our second years constructed three-dimensional 'Maths Hats'. Some hats were outstanding and those students won prizes. Five of our students received Mangahigh medals and four first years won a prize for the best 'bar chart'. Well done to all involved.

# Meaney Scholars

## **Meaney Scholars Honoured in Cashel Community School**

This year's Meaney scholars were presented with their prizes at a ceremony recently in Cashel Community School. The two students from the Leaving Certificate class of 2017, Jack Price and Hannah McSweeney each received a cheque for a thousand euro to help towards their studies at third level. They were congratulated on their outstanding results in last June's Leaving Certificate Examination.

Speaking at the awards ceremony Mr John Gallagher, Principal, spoke of the diligence and commitment which characterised Jack and Hannah's work. He expressed confidence that this year's class will emulate their achievements.
