CCS FUNDRAISING DRAW

This week Cashel CS launched its fundraising draw. Parents and guardians were encouraged to make every effort to sell as many lines as possible. Principal Mr. John Gallagher said "Every school know that students who participate in co-curricular activities have a marked improvement in their developments and grades. This can be attributed to skills they learn such as better time management to accommodate their hobbies and class activities, better organisational skills and a boost in their self-esteem. Skills learnt in clubs, co-curricular and extra-curricular activities can be applied in the classroom, as the students learn how to express themselves better. Please note that the funds raised are to assist financing school co-curricular activities such as Geography Week, Healthy Heating Week, Retreats, Student Celebrations, Awards, Guest Speakers, subsidising buses and student training in areas like Links and Student Council to name but a few. In general the funds raised will be utilised to finically support and subsidise the development of a whole school community".

The draw features a first prize of €500, second prize of €250 third prize of €100 and three prizes of €50. Along with these prizes there is a promoter's prize of €50 x 2 (Full Cards Only). Mr. Gallagher went on to say "Your continued generosity in supporting this annual fundraiser is appreciated and will enhance the quality of your child's experience in Cashel Community School. Therefore we are appealing for your considered support of this year's draw".

Amneal help towards purchase of a laser cutter for Engineering Department

Amneal pharmaceutical continued their support and partnership with the engineering department of Cashel Community School by part financing the purchase of a laser cutter for the Engineering room. This will greatly enhance the quality of project work produced by students. The school is extremely grateful for this continued support.

Cashel Community School recorded an impressive win on Wednesday last in Rathbane, Limerick in the 1st Round of Munster u16.5B Munster Hurling Championship against Rice College Ennis. The first twenty minutes were very even with both sides trading scores. Cashel had good points from play from Conor O Dwyer, Michael O' Connor, Jamie Duncan and an excellent James Murphy goal. Rice College were keeping in touch with points from frees. The final ten minutes saw CCS adjust their team, and they stopped the concession of frees. Points from Daniel Moloney(3), Jaymes O Sullivan and James Murphy put daylight between the sides at half time, with CCS leading 1.11 to 0.7 after a good 1st of hurling.

A big moment in the game came five minutes into the 2nd half, when after scoring an early point, Rice College won a penalty. However CCS goalie Jack Breen made an excellent save, leaving the Cashel boys six points up rather than just three up. Cashel then hurled excellently to stretch out the lead with points from midfielder Cathal Quinn(2), Conor O' Dwyer and James Murphy, before Murphy raced through from the 45 yard line, threw an excellent dummy to go around the last defender before burying his 2nd goal. Jaymes O' Sullivan scored the final point of the game to see CCS through comfortably 2.21 to 0.9. This was a good team performance from all CCS players who started or were introduced. This victory sees Cashel through to the Munster 1/4 Final against North Mon of Cork on Monday October 15th. Well done to this large panel of players who have worked hard with coaches B. Ryan and S. Carr, and best wishes in the 1/4 Final.

Cashel Community School book Munster Semi Final Spot

CCS took on North Mon of Cork on Monday last in the Munster 16.5 B $\frac{1}{4}$ final in a sunny Fermoy. The Cork side were on top early on, and led 1.3 to 0.3 after ten minutes. The Cashel side upped their workrate considerably at this stage, with the defence getting on top of the dangerous Cork attackers, and the forwards began to win more primary possession. This resulted with Cashel hitting some great scores, through top scorer Conor O' Dwyer and 1.1 from full forward James Murphy. This surge saw Cashel leading 1.8 to 1.4 at half time, despite losing hard working corner forward Micheál O' Connor to injury.

Cashel continued to work ferociously hard when the second half began, and the Cork side began to lose their discipline, losing two players to red cards in the opening fifteen minutes. CCS remained in control until the finish, helped by the numerical advantage. Substitutes Jack Ryan and Ross Whelan both scored goals after good team moves, while Conor O' Dwyer continued to score from both frees and play. The final score was CCS 3.19 North Mon 1.10 with the Tipperary side now advancing to the Munster Semi Final. This was a very good team performance from Cashel, with every player playing their part. On the day Ben Loughman and Brian Óg O'Dwyer anchored the defence excellently, along with Callum Lawrence in the second half, and Dion Gleeson throughout. Jamie Duncan and Cathal Quinn got through a power of work midfield. Up front Conor O' Dwyer was the main man, but got great support from Kevin Cleary, James Murphy and Jaymes O Sullivan

Team: Jack Breen, Eoghan Murphy, Ben Loughman, Ned Ryan, Callum Lawrence, Brian Óg O'Dwyer, Dion Gleeson, Jamie Duncan, Cathal Quinn, Daniel Moloney, Conor O Dwyer 0.14 (0.8 frees), Jaymes O Sullivan 0.3, Kevin Cleary (Capt), James Murphy 1.2, Micheál O Connor. CASHEL COMMUNITY SCHOOL

Maths Week at Cashel Community School

Maths took pride of place last week in Cashel Community School during 'Maths Week'. Our students were involved in a range of maths activities throughout the week.

First years took part in the online mathematics programme Mangahigh, in addition to constructing two/three-dimensional statistic charts based on a survey they carried out. These projects were proudly displayed in our foyer. Our second years had a busy week involving maths trails and 'tables' competitions. Transition years took part in an 'algebra' maths trail and 'tables' competitions. Well done to all involved.

Cashel progress in Senior A Football

Last Wednesday saw the clash of Cashel Community School and High School Clonmel in the semi-final of the McGowan Cup (U 19 Senior A Football) Cashel came into the tie as underdogs but overturned the odds to come away with an impressive victory on a scoreline of 4-13 to 2-5.

Cashel started brightly opening the scoring with a free from Cian Bargary and a score from play courtesy of Riain Quigley. The south Tipp side soon began to find their groove however and drew level by the end of the opening ten minutes. This was the last time the sides would be level as the Cashel side exploded into life scoring 3-5 without reply in the next twenty minutes. Two of Cashel's inside line accounted for 3-3 of this total with the speed and composure of Quigley and Bargary proving too much for the beleaguered Clonmel backline. As well as having the quality to finish off the moves it was the work rate and hunger to support the man on the ball displayed by the Cashel team which stood out during this period of dominance. Many of these moves started in their own half-back line where strong running from dynamic wing-backs Jamie Duncan and Conor O'Dwyer saw them carve up the opposition. The half finished with a pointed free from Clonmel midfielder Ben Owens who continued to bring the fight to Cashel despite the score line.

The second half was a far more even contest with both sides trading early scores. Two from play from Clonmel which were cancelled out by a Quigley free and one from Cashel midfielder Brian Óg O'Dwyer. A team with as much quality as Clonmel were sure to mount a charge and goled through inside forward Enda Dunphy. This lifted the hopes of the Clonmel players however this Cashel team once again showed their hunger and desire not to be outdone. They were tenacious in every tackle, a quality exemplified by Lorcan Carr at centre back who put in a 'man of the match' display. It was in this middle third of the second half that Cashel put the game to bed with points from Carr himself (1) as well as two more from the red hot Quigley and one from athletic midfielder Ferghail O'Donoghue. The game was ended as a contest with the arrival of goal number four for Cashel a superb team move finished to the net by centre forward Aaron Moloney. A late Clonmel goal could not take the gloss off this comprehensive victory for the Cashel side, the game finishing 4-13 to 2-5.

While this result may not have been expected it was clear to see for those in attendance how it came about. The drive, determination and discipline shown by the twenty players involved from Cashel was their biggest asset. Throughout the team it was this willingness to out-work Clonmel which proved the decisive factor. They now progress to a McGowan Cup final, a massive achievement for a team who have come from winning the B grade last year.

Team: Jack Currivan, David Sinclair, Mark Casey, John Marnane, Conor O'Dwyer, Lorcan Carr, Jamie Duncan, Brian Óg O'Dwyer, Fearghail O'Donoghue, Liam McGrath, Aaron Moloney, Jack O'Rourke, Cian Bargary, Riain Quigley, Aaron Browne. Subs used: Conor O'Brien for O'Rourke (40), Reuben Bourke for Browne (40), Kevin Cleary for Carr (50), Niall Quaid for Duncan (50), Páirc Brosnan for O'Dwyer (55). Also; Niall Hogan, Adam Ferncombe, Luke Kevin, Ben Ryan, Fergus English and Kevin Gayson Molloy.
