Cashel Community School

cashelcs

@cashel_cs

"The core values of respect and support, as well as pride in one's achievements are unchanged. I am lucky to be part of a teaching staff who genuinely care about their students and who go above and beyond to help them achieve their full personal potential"

Sinéad Kelly past student and Maths Teacher in CCS

"A snapshot of what our school can offer your child."

QR codes - How they work?

"To access a QR code simply use your mobile phone as if taking a photo at the code and it will direct you to a video performance of the photo in question. If your phone is android then download QR Reader from Google Play Store and scan the code."

Mission Statement

In valuing the rich traditions on which the school is founded, Cashel Community School caters for diversity, embraces change, promotes mutual respect and partnership through a broad range of learning opportunities which nurture the development of responsible young adults.

Co-Educational School

- Broad range of subjects up to Leaving Certificate
- Excellent academic record
- Excellent range of sports and cultural activities

CASHEL COMMUNITY SCHOOL
Enrolment for 2022/23

VIRTUAL OPEN NIGHT

On Thursday 7th of October at 7.30pm

Follow this event on:
Facebook Cashel Community School | Twitter @cashel_cs
Instagram cashelcs

Due to recent changes to the Admissions Act and Covid 19 restrictions, Parents/Guardians must now apply directly to Cashel Community School for admission in September 2022.

Application forms are available to download at www.cashelcommunityschool.ie or email request to bursar@cashelcommunityschool.ie or you can contact our office on 06261167 and we will post it to you.

The school will commence accepting applications for admission to 1st year/ASD Classroom
The school shall cease accepting applications for admission
The date by which applicants will be notified of the decision on their application for admission
Applicants must confirm acceptance of an offer of admission by

7/10/2021
29/10/2021
12/11/2021
26/11/2021

Note: the school will consider and issue decisions on late applications in accordance with the school's admission policy.
Policy available at www.cashelcommunityschool.ie

Message from the Principal

At Cashel Community School, we value each student as an individual and as part of a community. We seek to develop all aspects of their personhood and are committed to providing students with an educational experience that will develop every aspect of their being to their fullest potential through a student-centred, values-based education.

Students of Cashel Community School can access a rapidly expanding curriculum from which they may choose a wide variety of subjects, both practical and academic, delivered by a dedicated and highly motivated staff. We offer an extensive range of subjects for both the junior and senior education cycles with the widest possible range of extra-curricular activities available for students.

The school boasts a range of facilities that includes computer rooms, IT supported classrooms, science laboratories, music department, art studios, technical workshops, equipped gymnasium, sports playing courts and pitches.

Pastoral Care is an integral part of the holistic education offered in the school and is catered for through a structured Peer Support System, Tutors, the Chaplaincy, Guidance Counselling and Learning Support Education, together with well-established discipline structures, thereby ensuring all students have the opportunity to learn, grow and develop in a safe and caring environment.

Since the amalgamation of the three second level schools in Cashel in 1994, Cashel Community School has been at the core of the life of the community and education in Cashel and surrounding areas. The school has fused the best traditions of the three amalgamated schools and has embarked on building a history all of its own. The exceptional achievements of our students in both the Junior Cycle and Leaving Certificate ensure that Cashel Community School has established an outstanding academic record which has facilitated our students progress to virtually every faculty in a variety of third level colleges. I invite you to become part of this history and together we can foster and enhance a reputation for excellence in the fullest meaning of education.

John Gallagher (Principal)

Message from the Deputy Principals

Community schools combine the academic style education of the traditional Secondary School and the practically orientated programme of the Vocational School. In Cashel Community School we are enormously proud of our academic and extra-curricular programmes. We foster the individuality of each student within a very caring school community.

Our pastoral care programme provides a strong support network to our students and their parents. We foster relationships between staff and students which are respectful and we implement a Code of Behaviour, (agreed by all partners in the school community) which supports teaching and learning within a caring and safe environment.

"Enthusiasm" is synonymous with all our activities, curricular and extra-curricular. We are enormously proud of our reputation as an innovative, happy school.

We look forward to welcoming you into our community and to working with you as your child makes the transition to secondary school. We work closely with our feeder schools to ensure that your child is comfortable and happy with this new stage in life. Please contact us at any time if we can be of any assistance to you.

Margaret Moore & John Murray
(Deputy Principals)

Enjoyment in Achievement

*We may not have had a musical but
we certainly were musical*

Above are 4 virtual projects from the school year 2021. These activities required careful planning and a great deal of behind the scenes effort from all involved. It was also wonderful to work with our past students.

The family connection: students with their parents who are members of staff in CCS.

"I always felt there was something for everyone in Cashel Community School – this is a vivid memory for me – the ability for me to be myself. This allowed me to grow into a more confident person"

Donnacha O Dwyer Class of 2019.

CCS Scholarships

The Meaney Scholarship

The Meaney Scholarship is funded from a bequest to the school from the late Patrick Meaney Esq. He was a local businessman and farmer who bequeathed the proceeds from the sale of his book collection to the school. We are profoundly grateful for this extraordinary philanthropic gesture and we are deeply appreciative of the opportunity it will afford students to pursue

their studies at third level. This scholarship will be awarded to student(s) of Cashel Community School who are studying in a National University of Ireland. The winners of the Meaney Scholarship 2019 were Kieran Brown, Liam Mc Grath and James O' Sullivan.

Godolphin Bursary

This bursary is open to all students at Cashel Community School who will sit the Leaving Certificate in June 2022. It will be awarded to a student who intends to continue full-time study at an institute of technology or university in Ireland, or at an equivalent institution overseas.

The recipient will receive a laptop computer along with €1,500 per year of third level study paid in two annual payments of €750 each.

It is a condition of the bursary award that recipients give a commitment to undertake a minimum of 100 hours of voluntary work per 12-month period for the duration of the bursary. Voluntary work can be undertaken with charities, community groups or sporting organisations. The 2019 winner of the Godolphin Scholarship was Emma Ryan

Hurling Scholarship

The hurling scholarship is awarded to a hurler who displays characteristics such as leadership, being a team player, commitment to training and working hard academically. This scholarship will be an annual event and will reimburse the winner the costs of attending CCS as well as providing support to help this player to develop their skills. The Hurling Scholarship recipients for 2018 were – Oisín O' Donaghue and Ava Gayson Molloy.

Soccer Scholarship

The Brian Ború Soccer Scholarships will be awarded to two students in first year.

The scholarship consists of a reimbursement of the costs incurred by a student in attending CCS and is therefore of considerable benefit to any family.

Congratulations Callum Butler Buckley and Molly Gilmartin, 2019 recipients.

Young Scientists Winners 20/21

Congratulations to Megan Kirby and Ava Abbott on being awarded 3rd prize in the Senior Group Social and Behavioural section of the BT Young Scientists competition in January 2021.

The project titled, THE KNOCK ON EFFECT, was a statistical analysis of the relationship between head trauma and the onset of mental illness. The girls carried out a massive 1500-person survey through their social media platforms and analysed the data to create correlations, present their findings and make recommendations for future care of head trauma sufferers. The subject matter is now very topical with rugby and soccer players to show how they are suffering following head traumas in their sports. The girls plan to follow up and expand their study with an eye to entering next year's competition again.

Well done to the girls who have continued a nice trend for our school following on from our first place award in the same category last year.

YSI – Young Social Innovators of The Year 2020!

Category – Making our Community A Better Place
Gold Award

This year the YSI team researched the misuse of accessible parking places by able bodied drivers. They were appalled at this ongoing issue locally and nationally. They worked closely with Ms Ryan to think more about solutions to this issue.

The students took the idea of a prototype deterrent device flagged by the Cashel Gold Star Initiative and brought it to action assisted by the Engineering Dept in the school. The students prepared their project presentation called a Speak Out and performed in front of judges in Kilkenny last March. The students learned they were one of nine schools nationally to partake in the virtual final sponsored by Virgin Media in October. It was here at this live event that the students discovered they were named the overall Young Social Innovators of the year taking home a beautiful John Rocha designed trophy and prize money of €2,000.

The school has a very proud history of YSI success in the school winning a bronze and two silver national awards previously. The YSI programme is an integral part of the TY programme in the school and promotes many skills every year including civic action, research, analysis, social innovation, critical thinking, project planning and communication skills.

"Never doubt that a small group of thoughtful, committed citizens can change the world, indeed it's the only thing that ever has". Margaret Mead

1st Year...How it works

We are very aware of how dramatic a change it is for any student to transfer to a new school. **The transition from Primary to Secondary school** is a significant challenge in a child's life. As a school we enjoy excellent relations with our colleagues in our feeder primary schools. We try our best to meet with all of the primary school principals so that we can get a true flavour of the student intake to CCS.

We are also acutely aware of the **many varied needs** that pupils present with as they start in secondary school. We have a tailored Special Educational Needs (S.E.N) model that we feel really helps children and the various challenges they present with. We also help students whose first language is not English by offering an English As An Additional Language (EAL) programme.

All 1st years fully immerse themselves in the **10 option subjects** that we offer here in CCS. These are offered on a **½ year modular basis** so that all students can be very sure of the choices they make going into 2nd year.

1st Year...How it works

We operate a **week long induction** for all 1st years so that they really do settle in and familiarise themselves with our school and how it works. This happens in tandem with our 6th year 'Links' who are on hand to support and assist with your son/ daughter feeling safe, secure and happy with us here in CCS.

- Your son/daughter will be in a class group of no more than 24 thus very similar to their 6th class group size
- 1st year lockers are based in the front of the building thus giving the student space to adjust to life in CCS.
- Our guidance department and Chaplain regularly connect with your son/daughter just to see how things are going. This aids the sense of belonging and community
- Guidance related learning in the key areas of student managing their study times – 1st years use many assessment for learning techniques such as mind maps/ time lines etc
- Where possible SNA support is available to our most vulnerable students.

Home School Links

We believe very strongly that education must be based on close co-operation between parents and teachers. We have regular contact with parents through information evenings, parent teacher meetings, class masses and school reports.

By working in partnership we are ensuring that students reach their full potential so that they are prepared for life and are able to take their place in society.

1st years, Links, Members of the Induction Team and Mr. Jimmy O'Neill, Year Head

What the students say...

"You feel welcome in Cashel and no matter where you're from, you make friends in no time"

"It's great because I have made a lot of new friends"

"It's great fun because there are new people and new subjects"

"I really like secondary school because you get to meet lots of new friends and experience lots of new subjects"

Transition Year

Transition Year is an extra year at Senior Cycle which allows the student to mature as a person, develop a wide range of skills and experience the adult world of work.

- Core subjects including MOS exams (Certified Microsoft exams) French/German
- Modules, including areas such as Engineering, Construction Studies, Home Economics, D.C.G, Music, Art.
- Work Experience (3 weeks)
- Community Involvement (subject to Vetting Rules)
- GAA Coaching Course
- GAISCE-The President's Award
- Workshops including Self Defence, Law, Mindfulness, Gaelige, 'Humourfit'.
- Musical
- Guest Speakers
- Outings which include, Young Scientist Exhibition, Ploughing Championships, French/German Film/Theatre
- Certificate in Basic First Aid
- TY Retreat
- Gym classes

Young Social Innovators (YSI)

Working in teams of five to 25, TY students identify a social issue of concern to them, explore it and come up with real actions and responses. YSI features regional and national events to which participants are invited. The programme is youth-led, team-based and action-focused.

Benefits of YSI

- Encourages and actively promotes the development of links between the school and local community
- Promotes a school ethos of care and holistic development of young people
- Promotes new opportunities for civic engagement amongst students.

TY Project

Once again this year all TY students are involved in an ongoing and formal Project.

The projects are in the following 7 areas: Art, Young Social Innovators, Young Scientist Competition, GAA Future Leaders Course, Media Studies, Journalism, Drama and Robotics.

Here are some examples from 2020/2021

1. The Art group are working on a collaborative Mural, which will depict their perspective on the Covid -19 pandemic.
2. The Young Social Innovators group is hoping to create a sensory garden space to enhance student wellbeing. The students will think about how to include the 5 senses into their garden plan. Their project will be entered into the Regional heats of the Young Social Innovators Competition, and from there, possibly, to the Grand Final, which takes place in Dublin, in May.
3. The Young Scientist group will work, during the year, on a series of Projects of interest to them, with a view to entering this prestigious Competition in January 2022.
4. The GAA Future Leaders Course is in its third year. It aims to cultivate Leadership and Coaching Skills within the students participating, with a view to them actively helping out, in leadership roles, with their local Clubs and beyond going forward.
5. In the Media Studies class the students gain an understanding of character, setting and plot, in action films. Exploring camera angles, sound effects and the stereotypes associated with video games will follow.
6. The Journalism course will enable students to learn all about newspapers and the writing, analysis, preparation and photography that is involved in putting a newspaper together.

Megan Kirby and Ava Abbott, Young Scientists 2021

Senior Student Council 2020/21

Student Council

The Student Council has been functioning in Cashel Community School since 1997. The Council provides a forum for students to express their opinions and enables them to play a partnership role with the staff, Parents' Association and Board of Management.

This ensures that the students play a positive role in our school's decision making process. A member of staff is responsible for liaising

between Principal and Council. The Council meets on a regular basis and delegates report to their classes after every meeting.

The student council has been involved in organising various events such as the variety show and fundraising for local and national charities. Senior members co-ordinate the production of the 6th year Yearbook, the Class Mural and the Graduation night.

Pastoral Care

- All members of management and staff exercise a caring role towards the students.
- Each class group is assigned a Class Tutor. This teacher regularly monitors the progress and welfare of each student. To assist with this there are scheduled pastoral care assemblies throughout the year.
- Each Year Head sees to the overall progress and welfare of his/her Year Group.
- The Career Guidance Counsellors and School Chaplain are always readily available to assist students who may need personal support.
- Students, of their own accord, can directly approach the Chaplain or Guidance Counsellors. In addition, parents/guardians, management and staff members may request support for a student. The Guidance Counsellors and Chaplain each have their own office where they meet with students individually.
- The School Chaplain gives students spiritual guidance.

Literacy and Numeracy Initiative

As part of school self evaluation and school development students in first and second year are enthusiastically participating in 'Drop Everything and Read' programme and also in a 'Book in a Bag' programme. These programmes are designed to encourage reading for pleasure which will have a positive impact on students' progress in the education system.

AEN Support

Cashel CS provides comprehensive 'A..E.N.' support (Additional Educational Needs) to pupils who have identified learning needs. This support is provided by teachers and SNAs. Some typical identified needs are Dyslexia, Dyspraxia and Dyscalculia. Parents/guardians receive reports on their child's progress and participation in this support.

ASD Classroom

Cashel Community School in co-operation with the Department of Education and Skills operates a centre for students with Asperger Syndrome. Contact the Principal for further details.

Curriculum

Cashel Community School provides a comprehensive range of programmes and subjects at Junior and Senior cycle. As a Community School we have a very broad range of subjects on offer, thereby expanding the range of career opportunities available to our students. Boys and girls have equal access to the full range of academic, business, scientific and technical subjects which are on offer.

Music Room	Physics/Chemistry/Biology Laboratories
Language Laboratory	Home Economics Room/Kitchens
Prayer Room	Materials Technology/ Woodwork Rooms
Library	Fully equipped Design & Communication Graphics Room

Cashel Community School major expansion unveiled

A multi million euro development and investment by the Dept of Education and Skills has been welcomed by all trustees of Cashel Community School.

"We, as a school community are delighted by the opportunities that this will afford our students. We cater for diversity and offer a broad range of learning opportunities which nurture the development of responsible young adults". (John Gallagher, Principal)

The programme of improvements provides for additional accommodation comprising four general classrooms, one specialised room, offices, two SEN Classrooms within a designated SEN suite and a garden. It also involves the reorientation of the GP area, stage and current staffroom into a multipurpose student area!!!

Making Time for Others in CCS

This ageless statement epitomises the spirit of giving and the culture of Cashel Community School. Staff members voluntarily give generously of their time and energy to numerous school and charitable causes, both local and international, such as

- Syrian refugees
- My Canine Companion
- Nepal Earthquake
- Cuan Saor Women's Refuge
- Pieta House
- Concern
- St. Vincent de Paul
- Aware
- Acquired Brain Injury Ireland
- Carol and Church Services in local churches

The spirit that is fostered throughout Cashel Community School not only provides much needed funds for the charities but develops and invigorates a social conscience and community spirit in our young adults.

Since 2002, students have raised €100,000 through the annual Concern Fast. In recognition of this achievement, Concern International took a group of students and staff to visit its health care, education and development projects in Kenya, in 2011.

Pride of place goes to the phenomenal success of the school's involvement with the Niall Mellon house-building project in South Africa. In recent years the school has raised over €200,000 for the Niall Mellon Building Blitz. The school has also supported a number of fundraising activities for Pieta House including a Fun Run which raised over €13,000 in May 2013.

"My experience as a student in CCS was a positive one right throughout my six years here, and my experience as a teacher has not been any different so far. CCS has such a unique environment in that even with 800+ students in the school, students all know each other and mix with each other before school, at lunch times and after school."

Pat Muldoon Past student

"It is in giving that we receive"

Adult Education Programme

A comprehensive range of Adult Education courses are provided by Cashel Community School. Courses ranging from Hobbies, Computer, Language, Arts & Crafts, Personal & Professional Development are on offer. Courses commence in Autumn and Spring and take place on Monday and Tuesday nights.

Brochures and information about our courses can be obtained from Cashel Community School on 062 61167, by email: eveningc@cashelcommunityschool.ie, in the local press and on our website www.cashelcommunityschool.ie

Healthy Food Week

Parents' Association

Cashel Community School has a dynamic Parents Association since 1994. It encourages all parents to participate and support the activities of the school, and acts as very valuable liaison with the school management.

Its many activities include:

- Book Rental Scheme
- Organise Debs with Student Council
- Guest speakers invited to meetings speaking on drugs, health, any topic related to parents concerns

Monthly meetings provide comprehensive reports from Secretary, Treasurer, School Principal and all committees. A.G.M. held annually in October, and the association is affiliated to PACCS. All parents are welcome.

Leadership Day in CCS

Recent Student Leaders in CCS

Leadership Day is a school initiative which acknowledges the achievements of students who take leadership roles in our school. It celebrates students who model good example, commitment and positivity in the school.

Parental Involvement

Homework can take a variety of forms including:

- Written assignments
- Creative Assignments
- Learning Assignments
- Revision Work
- Oral homework
- Collecting information for projects
- Listening to tapes or CDs
- Preparing for debates, role plays etc.

Parents can be supportive by demonstrating study and organisation skills, explaining problems, or just encouraging students to take a break. Effective parent involvement comes when a true partnership exists between schools and families. Creating that partnership, especially around academics, is what works for student achievement.

(National Parents Council, 2014)

- Homework has a positive effect on student achievement at second level.
- Parent expectations and aspirations are a critical contributor to student success.
- Parents should create an environment of support within the home.
- Parents should always reward effort rather than results.
- The Record Book is signed on a weekly basis.

Addams Family Nov 2019

Arts in CCS

The music department has been very innovative during Covid 19 in keeping the important area of practical music making going – our virtual performances are a true testament to that. Hopefully now that things are “opening up” we can resume performances in person!

The school is lucky to have a number of school choirs up and running. All groups competed nationally in 2019 to great acclaim. We are very proud of all their achievements to date and wish them every success in the upcoming competitions.

A particular joy was the Senior school choir winning the same trophy in Feis Maitiú Cork 3 years in a row. - Well done all!

Virtual Choir 2020 – The Prayer

Mixed Voice Choir - Winter Song

Virtual Choir 2020 – You will be Found

Equal Voice Choir

A selection of winning entries for the Gerry Ryan Art Award

The position of captain is given to those athletes whom the rest of the team respect and trust to lead the team in the right direction. This position is a great honour which comes with great responsibility including giving consistent full effort, demonstrating good sportsmanship, treating officials with respect and setting goals for your team.

Sports

Cashel Community School offers a choice of sports:

Hurling: Munster and County Tipperary competitions at: First Year, U-14, U-15, Junior (U-16½), Senior (U-17, and U-19). Won Munster U-16½ in 2010 and Corn Phádraig in 2011 & 2019

Gaelic Football: played at the same levels as Hurling. Tipperary U19 Football Champions 2018/19. 2 CCS Teams Tipperary A & C Under 14 Football Winners May 2019

Swimming: Compete at Munster Level

Soccer: Munster and Southeast Region: First Year, U-14, U-16, Senior. Won U-16 in 2010.

- Orla O Dwyer – All Ireland Intermediate Ladies Football medal winner in 2019
- Eoghan Connolly, Aaron Browne and John Ryan were U20 Munster and All Ireland Hurling Winners in 2019

2019 All Ireland winning past pupils return to CCS

Hurlers in Action

Basketball

Exercise and sports participation has long been established as an important factor in reducing the risk of many physical problems such as cardiovascular disease and obesity. That said, the importance of sports and games in Cashel Community School encompasses more than just the benefit of physical activity. We believe it's an integral part of increasing students' self-esteem, while developing confidence and mental alertness.

Rugby

Camogie

Soccer

The emphasis on sport in Cashel Community Schools centres around the students experience of having fun, being challenged and receiving affirmation. We want our young people to engage in sport and an active lifestyle. Student participation in sport and exercise results in a feeling of achievement, and being part of something, as well as the enjoyment students get out of working together with their friends and peers ,thus nurturing their social skills and thereby building character.

Soccer Scholarship Winners

Soccer

Student of the Year

Student of the Year

This student is caring, demonstrates friendly attitudes to other students and always strives to help others. This is a sign of the outstanding person. This student has friendly relationships with their peers and respects all people. Various people in their surroundings characterise this student as very pleasant, caring and attentive person. As a Principal I can emphasise the character features which contribute to a really strong individual. Such students are the dream of any teacher. Aristotle stated, "We are what we repeatedly do. Excellence, therefore, is not an act but a habit". I completely agree with this saying and emphasise that this student is habitually excellent. They do not strive for recognition and focus on the real and true values and contributions they can make. This student is a true citizen and I am sure will be a massive benefit to our society with their qualities and achievements.

It gives me great pleasure to announce that this year Student of the year is Sophie O Meara

Awards

Student Awards

We aim to provide a broad education and to turn out students who are not only academically qualified but also good citizens. To motivate students towards the highest possible goals the school has developed an Awards System, which recognises student achievement across the full range of student activities. Awards include academic, full attendance, sports, music, art, creative writing and special achievements.

The aims of the awards are:

- to promote excellence
- to reward and encourage talent
- to foster and reward high achievement
- to encourage students to excel academically and personally
- to acknowledge student initiative and effort
- to create a sense of pride in students
- to recognise students who are involved in significant voluntary, community and charitable activity

Cultural:

- **Junk Kouture** Our Junk Kouture entries focused on the detrimental effect of single use plastics on our planet, our need to be creative with unusual materials such as discarded metal and the benefits of recycling organic matter. Out of these innovative items, we produced a series of unique and eye-catching outfits, two of which reached the highly competitive regional final in the concert hall in Limerick
- **Debating Team**- The CCS Senior Debating Team took part in the Concern Debates for the first time during the 2019/2020 term, earning the accolade of Best New School.
- **Senior Choir U-19** Hilser Trophy Feis Maitiú Cork. 2018
- RTE Sunday Morning Mass Broadcast March 2019
- The production of The Addams Family in November 2019 was very highly acclaimed and was the twenty sixth musical since 1994.
- 25th Anniversary Concert May 2019. Past and present pupils and staff celebrate 25 years on music in CCS
- Darragh Hogan 5th Year chosen to participate in the RTÉ Youth Assembly. He was 1 of 157 chosen nationwide to be a member of Dáil Éireann for a day.
- Pieta Fun Run, May 2013 over 1000 people involved €13,700 raised.
- Young Social Innovators Bronze Medal award in 2014 for project on concussion titled "Without your Brain you have no Game" and also "Do you want Braille with That" in 2012.

School events!

• Third Year Academic Excellence 2021 with Year Head, Ms Kirwan

• Second years 2021 with Year Head Mr. Galvin

Why choose Cashel Community School?

- High standards of excellence in both academic and extra curricular fields.
- Boys and girls working together in the classroom helps develop confidence in students so that they feel comfortable sharing their ideas and opinions in any situation and excel in University and beyond as leaders.
- We believe that every child matters as an individual and we place great emphasis on pastoral care.
- Each class has its own class tutor whose responsibilities include monitoring the progress and welfare of each student.
- Sixth Year links programme helps First Year students to adjust to second level education.
- Book Rental Scheme.
- Maximum 24 students per class in First Year
- We provide an opportunity for First Year students to experience a whole range of Junior Cycle subjects so that informed subject choices can be made for Second Year on the basis of experience
- Optional evening study
- School Awards Ceremony to celebrate the achievements of all students
- Two full time Career Guidance Counsellors provide individual and group advice on subject choice, further education, training and careers as well as individual support when necessary.
- The school has a full time chaplain and a team of Religious Education teachers who combine with management and staff to create a caring environment with strong Christian values.
- Hot Food available at lunchtime.
