13/10/2022

The school shall cease accepting applications for admission

29/10/2022

The date by which applicants will be notified of the decision on their application for admission

24/11/2022

Applicants must confirm acceptance of an offer of admission by

08/12/2022

Note: the school will consider and issue decisions on late applications in accordance with the school's admission policy.

Policy available at www.cashelcommunityschool.ie

Message from the Principal

At Cashel Community School, we value each student as an individual and as part of a community. We seek to develop all aspects of their personhood and are committed to providing students with an educational experience that will develop every aspect of their being to their fullest potential through a student-centred, values-based education.

Students of Cashel Community School can access a rapidly expanding curriculum from which they may choose a wide variety of subjects, both practical and academic, delivered by a dedicated and highly motivated staff. We offer an extensive range of subjects for both the junior and senior education cycles with the widest possible range of extra-curricular activities available for students.

The school boasts a range of facilities that includes computer rooms, IT supported classrooms, science laboratories, music department, art studios, technical workshops, equipped gymnasium, sports playing courts and pitches.

Pastoral Care is an integral part of the holistic education offered in the school and is catered for through a structured Peer Support System, Tutors, the Chaplaincy, Guidance Counselling and Learning Support Education, together with well-established discipline structures, thereby ensuring all students have the opportunity to learn, grow and develop in a safe and caring environment.

Since the amalgamation of the three second level schools in Cashel in 1994, Cashel Community School has been at the core of the life of the community and education in Cashel and surrounding areas. The school has fused the best traditions of the three amalgamated schools and has embarked on building a history all of its own. The exceptional achievements of our students in both the Junior Cycle and Leaving Certificate ensure that Cashel Community School has established an outstanding academic record which has facilitated our students progress to virtually every faculty in a variety of third level colleges. I invite you to become part of this history and together we can foster and enhance a reputation for excellence in the fullest meaning of education.

John Gallagher (Principal)

Message from the Deputy Principals

Community schools combine the academic style education of the traditional Secondary School and the practically orientated programme of the Vocational School. In Cashel Community School we are enormously proud of our academic and extra-curricular programmes. We foster the individuality of each student within a very caring school community.

Our pastoral care programme provides a strong support network to our students and their parents. We foster relationships between staff and students which are respectful and we implement a Code of Behaviour, (agreed by all partners in the school community) which supports teaching and learning within a caring and safe environment.

"Enthusiasm" is synonymous with all our activities, curricular and extra-curricular. We are enormously proud of our reputation as an innovative, happy school.

We look forward to welcoming you into our community and to working with you as your child makes the transition to secondary school. We work closely with our feeder schools to ensure that your child is comfortable and happy with this new stage in life. Please contact us at any time if we can be of any assistance to you.

Margaret Moore & John Murray

Snapshot of CCS in action

Enjoyment in Achievement

Grease May 2022 "Each year since its foundation the school has prepared and performed a musical. Such activities require careful planning and a great deal of behind the scenes effort from the teachers and stage-hands involved, as well as those who perform on the stage. This is evident from the fact that the staging of the recent show involved the efforts of over a hundred students." WSE Report

Leaving Certificate Students and Staff

"I always felt there was something for everyone in Cashel Community School – this is a vivid memory for me – the ability for me to be myself. This allowed me to grow into a more confident person"

Donnacha O Dwyer Class of 2019.

Parents' Association

Cashel Community School has a dynamic Parents Association since 1994. It encourages all parents to participate and support the activities of the school, and acts as very valuable liaison with the school management.

Its many activities include:

- Book Rental Scheme
- Organise Debs with Student Council
- Guest speakers invited to meetings speaking on drugs, health, any topic related to parents concerns

Monthly meetings provide comprehensive reports from Secretary, Treasurer, School Principal and all committees. A.G.M. held annually in October, and the association is affiliated to PACCS. All parents are welcome.

Leadership Day in CCS

Recent Student Leaders in CCS

Leadership Day is a School initiative which acknowledges the achievements of students who take leadership roles in our school. It celebrates students who model good example, commitment and positivity in the school.

Parental Involvement

Homework can take a variety of forms including:

- Written assignments
- Creative Assignments
- Learning Assignments
- Revision Work
- Oral homework
- Collecting information for projects
- Listening to tapes or CDs
- Preparing for debates, role plays etc.

Parents can be supportive by demonstrating study and organisation skills, explaining problems, or just encouraging students to take a break. Effective parent involvement comes when a true partnership exists between schools and families. Creating that partnership, especially around academics, is what works for student achievement.

(National Parents Council, 2014)

- Homework has a positive effect on student achievement at second level.
- Parent expectations and aspirations are a critical contributor to student success.
- Parents should create an environment of support within the home.
- Parents should always reward effort rather than results.
- The Student Learning Diary is signed on a weekly basis.

1st Year...*How it works*

We are very aware of how dramatic a change it is for any student to transfer to a new school. The transition from Primary to Secondary school is a significant challenge in a child's life. As a school we enjoy excellent relations with our colleagues in our feeder primary schools. We try our best to meet with all of the primary school principals so that we can get a true flavour of the student intake to CCS.

We are also acutely aware of the many varied needs that pupils present with as they start in secondary school. We have a tailored S.E. N model that we feel really helps children and the various challenges they present with. We also help students whose first language is not English by offering an EAL programme.

Remember all 1st years fully immerse themselves in the 10 option subjects that we offer here in CCS. These are offered on a ½ year modular basis so that all students can be very sure of the choices they make going into 2nd year.

What the students say...

"You feel welcome in Cashel and no matter where you're from, you make friends in no time"

"It's great because I have made a lot of new friends"

1st Year...*How it works*

We operate a week long induction for all 1st years so that they really do settle in and familiarise themselves with our school and how it works. This happens in tandem with our 6th year 'Links' who are on hand to support and assist with your son/ daughter feeling safe, secure and happy with us here in CCS.

- Your son / daughter will be in a class group of no more than 24 thus very similar to their 6th class group size
- 1st year lockers are based in the front of the building thus giving the student space to adjust to life in CCS.
- Our guidance department and Chaplain regularly connect with your son/ daughter just to see how things are going on. This aids the sense of belonging and community
- Guidance related learning in the key areas of student managing their study times – 1st years use many assessment for learning techniques mind maps/ time lines etc
- Where possible SNA support is available to our most vulnerable students.

Home School Links

We believe very strongly that education must be based on close co-operation between parents and teachers. We have regular contact with parents through information evenings, parent teacher meetings, class masses and school reports.

By working in partnership we are ensuring that students reach their full potential so that they are prepared for life and are able to take their place in society.

"It's great fun because there are new people and new subjects"

"I really like secondary school because you get to meet lots of new friends and experience lots of new subjects"

Transition Year Photos

TY Project

Once again this year all TY students are involved in an ongoing and formal Project.

The projects are in the following 6 areas: Art, Young Social Innovators, Young Scientist Competition, GAA Future Leaders Course, Media Studies and Robotics.

YSI

The Young Social Innovators Ireland Awards celebrate excellence in youth led social innovation. Held in May each year, shortlisted YSI teams are invited to present their projects to judging panels at our national celebratory awards event. To date CCS have received four national titles in the history of the YSI programme.

YSI awards for CCS!!!!

- 2012 National Bronze Award
- 2014 National Silver Award
- 2015 National Silver Award
- 2020 National Gold Award

Young Scientist

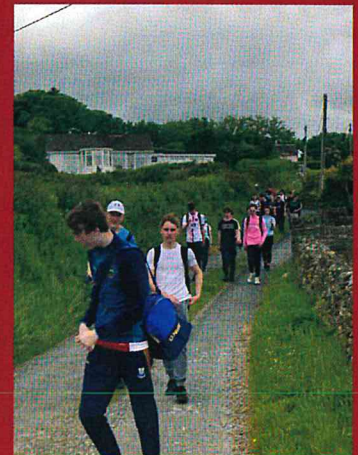

1st, 2nd and 3rd Prize in BT Young Scientist Competition

Our school had had an incredible run in the BTYS competition in the past 3 years, taking 1st, 2nd and 3rd prize in the Senior Group Social and Behavioural Sciences section in successive years. In TY we now have dedicated classes every week to working on projects and this has resulted in great success in this highly prestigious national competition. Our students have had 4 successful project entries with 3 winning prizes as well as numerous other projects that students have worked on. This competition has developed great scientific skills in all the participants and brought them into contact with many professionals as consultants for their projects.

We congratulate the winners of the last 3 years and look forward to many more successes in the future.

Ava Abbott and Megan Kirby
3rd prize Senior Group Social and Behavioural

Senior Student Council 2021/22

Student Council

The Student Council has been functioning in Cashel Community School since 1997. The Council provides a forum for students to express their opinions and enables them to play a partnership role with the staff, Parents' Association and Board of Management.

This ensures that the students play a positive role in our school's decision making process. A member of staff is responsible for liaising

between Principal and Council. The Council meets on a regular basis and delegates report to their classes after every meeting.

The student council has been involved in organising various events such as the variety show and fundraising for local and national charities. Senior members co-ordinate the production of the 6th year Yearbook, the Class Mural and the Graduation night.

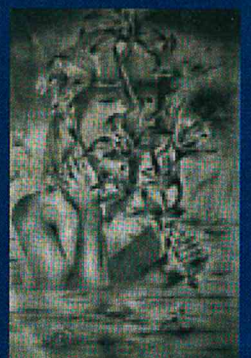

Pastoral Care

- All members of management and staff exercise a caring role towards the students.
- Each class group is assigned a Class Tutor. This teacher regularly monitors the progress and welfare of each student. To assist with this there are scheduled pastoral care assemblies throughout the year.
- Each Year Head sees to the overall progress and welfare of his/her Year Group.
- The Career Guidance Counsellors and School Chaplain are always readily available to assist students who may need personal support.
- Students, of their own accord, can directly approach the Chaplain or Guidance Counsellors. In addition, parents/guardians, management and staff members may request support for a student. The Guidance Counsellors and Chaplain each have their own office where they meet with students individually.
- The School Chaplain gives students spiritual guidance.

A selection of winning entries for the Gerry Ryan Art Award

Curriculum

Cashel Community School provides a comprehensive range of programmes and subjects at Junior and Senior cycle. As a Community School we have a very broad range of subjects on offer, thereby expanding the range of career opportunities available to our students. Boys and girls have equal access to the full range of academic, business, scientific and technical subjects which are on offer.

Adult Education Programme

A comprehensive range of Adult Education courses are provided by Cashel Community School. Courses ranging from Hobbies, Computer, Language, Arts & Crafts, Personal & Professional Development are on offer. Courses commence in Autumn and Spring and take place on Monday and Tuesday nights.

Brochures and information about our courses can be obtained from Cashel Community School on 062 61167, by email: casheladed@hotmail.com, in the local press and on our website www.cashelcommunityschool.ie

Healthy Food Week

Making Time for Others in CCS

This ageless statement epitomises the spirit of giving and the culture of Cashel Community School. This spirit that is fostered throughout not only provides much needed funds for charities but develops and invigorates a social conscience and community spirit in our young adults. This year against the backdrop of Covid 19 the annual CCS St. Vincent de Paul collection was unable to take place in its usual format. However this provided our 6th Year Links students with a new opportunity. Sixth Year Links students support our First Year students through our Links programme. Sixth Years are matched with small groups of First Years and link with them informally as well as formally throughout the year.

This year our 6th Year Links students in collaboration with Mr. Galvin (1st Yr Year Head) and Mr. Nolan (School Chaplain) decided on a venture whereby each First Year class would provide 'goodies & treats' for a Christmas Hamper. Each First Year class was tasked with providing material for two Christmas Hampers, thus providing fourteen Christmas Hampers for the school community to be raffled before the Christmas holidays. Proceeds from the sale of raffle tickets are going to St. Vincent de Paul and South Tipperary Hospice respectively. Congratulations and well done to all involved.

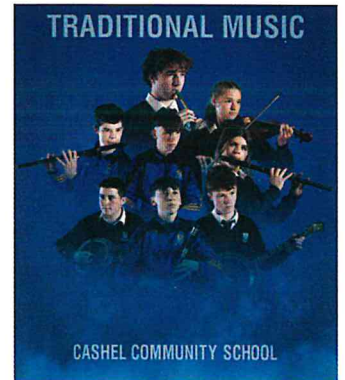

“It is in giving that we receive”

EQUA VOICE CHOIR

Music in CCS.

The school year 2021/22 was a very busy year for the music department – look what we achieved:

- November 2021 – Variety Show in Bru Boru – a magnificent night’s entertainment from our student body – dancing, singing and our inaugural trad group performance.
- Christmas 2021 – Virtual carol service – students presented a number of readings and carols to celebrate the feast of Christmas.
- February 2022 – Feis Maitiu - 1st year Choir - 1st place – Loreto Cup. Chamber Choir - 1st place – Cashes of Cork Trophy.
- May 2022 – Grease – sold out 2 nights of this family favourite.

March 2022 – a 2nd date with Royalty!!!

Both our equal voice and Chamber choir were fortunate to be asked to sing for HRH the Prince of Wales and the Duchess of Cornwall on their visit to Cashel. The students were lucky to be able to sing 2 pieces for the royal couple. This follows on from singing for Her Majesty Queen Elizabeth II who visited Cashel in 2011

TEAM CAPTAINS

CASHEL COMMUNITY SCHOOL

The position of captain is given to those athletes whom the rest of the team respect and trust to lead the team in the right direction. This position is a great honour which comes with great responsibility including giving consistent full effort, demonstrating good sportsmanship, treating officials with respect and setting goals for your team.

Sports

Cashel Community School offers a choice of sports:

Hurling: Munster and County Tipperary competitions at: First Year, U-14, U-15, Junior (U-16½), Senior (U-17, and U-19). Won Munster U-16½ in 2010 and Corn Phádraig in 2011 & 2019

Gaelic Football: played at the same levels as Hurling. Tipperary U19 Football Champions 2018/19. 2 CCS Teams Tipperary A & C Under 14 Football Winners May 2019

Swimming: Compete at Munster Level

Soccer: Munster and Southeast Region: First Year, U-14, U-16, Senior. Won U-16 in 2010. Munster and FDC Cups, 1st Year, U14, U16 and Senior. Won Under 16 in 2010, and won Under 14 in 2011

Camogie: Munster Colleges: First Year, Junior, Senior: championships and leagues.

Ladies Gaelic Football: played at the same levels as camogie.

Girls Basketball: All-Ireland schoolgirls league `B` grade: First Year, 2nd Yr., U-16, U-19.

Handball: National competitions, First Year, Junior, Intermediate, Senior. All-Ireland Junior champions in 2010.

Rugby: Munster – First Year, U-15, U-16.

Pitch & Putt: teams (open to all ages) are entered in Munster and All-Ireland competitions.

Equestrian Activities: Hunter Trials, Junior and Senior, All-Ireland competitions.

Tennis: Munster schools, U-16, U-19.

Gaelic Football

Exercise and sports participation has long been established as an important factor in reducing the risk of many physical problems such as cardiovascular disease and obesity. That said, the importance of sports and games in Cashel Community School encompasses more than just the benefit of physical activity. We believe it's an integral part of increasing students' self-esteem, while developing confidence and mental alertness .

The emphasis on sport in Cashel Community Schools centres around the students experience of having fun, being challenged and receiving affirmation. We want our young people to engage in sport and an active lifestyle. Student participation in sport and exercise results in a feeling of achievement, and being part of something, as well as the enjoyment students get out of working together with their friends and peers ,thus nurturing their social skills and thereby building character.

Student of the Year

Student of the Year
Colin Harding

This student is caring, demonstrates friendly attitudes to other students and always strives to help others. This is a sign of the outstanding person. This student has friendly relationships with their peers and respects all people. Various people in their surroundings characterise this student as very pleasant, caring and attentive person. As a Principal I can emphasise the character features which contribute to a really strong individual. Such students are the dream of any teacher. Aristotle stated, "We are what we repeatedly do. Excellence, therefore, is not an act but a habit". I completely agree with this saying and emphasise that this student is habitually excellent. They do not strive for recognition and focus on the real and true values and contributions they can make. This student is a true citizen and I am sure will be a massive benefit to our society with their qualities and achievements.

It gives me great pleasure to announce that this year Student of the year is Colin Harding

Awards

Student Awards

We aim to provide a broad education and to turn out students who are not only academically qualified but also good citizens. To motivate students towards the highest possible goals the school has developed an Awards System, which recognises student achievement across the full range of student activities. Awards include academic, full attendance, sports, music, art, creative writing and special achievements.

The aims of the awards are:

- to promote excellence
- to reward and encourage talent
- to foster and reward high achievement
- to encourage students to excel academically and personally
- to acknowledge student initiative and effort
- to create a sense of pride in students
- to recognise students who are involved in significant voluntary, community and charitable activity

Our School - Our Community

Our School - Our Community

Why choose Cashel Community School?

- High standards of excellence in both academic and extra curricular fields.
- Boys and girls working together in the classroom helps develop confidence in students so that they feel comfortable sharing their ideas and opinions in any situation and excel in University and beyond as leaders.
- We believe that every child matters as an individual and we place great emphasis on pastoral care.
- Each class has its own class tutor whose responsibilities include monitoring the progress and welfare of each student.
- Sixth Year links programme helps First Year students to adjust to second level education.
- Book Rental Scheme.
- Maximum 24 students per class in First Year
- We provide an opportunity for First Year students to experience a whole range of Junior Cycle subjects so that informed subject choices can be made for Second Year on the basis of experience
- Optional evening study
- School Awards Ceremony to celebrate the achievements of all students
- Two full time Career Guidance Counsellors provide individual and group advice on subject choice, further education, training and careers as well as individual support when necessary.
- The school has a full time chaplain and a team of Religious Education teachers who combine with management and staff to create a caring environment with strong Christian values.
- Hot Food available at lunchtime.
