

# Cashel Community School Adult Education Programme

## **Course Description: Art – Figure Life Drawing and Sketching**

Find inspiration and discover new skills. This short course will focus on observational drawing including life drawing. Initial classes will concentrate on learning the basic principles of drawing the hand and face - moving on to sketching a live clothed model. Boost your figure drawing skills by sketching a variety of poses in different mediums or simply come along to enjoy being creative with others. This course is suitable for beginners and for those looking to enhance their drawing techniques.

Materials required:

A3/A2 paper.

A selection of pencils, markers, paints, any preferred medium (the tutor will go through the supplies that you will need on the first evening of the course).
