

Cashel Community School Adult Education Programme

Course Description: Guitar for Beginners / Intermediate

Learners are not required to have their own instrument as the school can provide guitars for use during the class times.

- This course offers a comprehensive and enjoyable introduction to the guitar and what it can do.
- Students begin with basic left and right-hand techniques.
- Classes will progress through a varied and interesting repertoire, including folk, pop and rock songs – while students develop a range of guitar skills.
