# Message from the Principal

As the newly appointed Principal, I am delighted to welcome you to our school community. I hope that you enjoy reading about our school and that this prospectus gives you an insight into some of the qualities which make Cashel Community School a unique and extraordinary centre of learning.

Cashel Community School is a caring, supportive and vibrant co-educational school with the highest standards of teaching and learning. At Cashel Community School, we are deeply committed to catering for the diverse needs of our students. A culture of mutual respect, inclusivity and trust permeates the corridors and classrooms. Our experienced and dedicated staff work tirelessly to ensure that each student is valued and expertly supported on their learning journey, both as an individual and as part of the school community.

We are extremely proud of the broad and growing curriculum we offer, our outstanding academic results and our extensive range of extra-curricular learning opportunities. Students of Cashel Community School can access an exceptional range of subjects for both the junior and senior education cycles. Our school is equipped with excellent facilities, including Computer rooms, IT supported classrooms, Home Economics rooms, Art studios, Science Laboratories, Music department, Technical workshops, equipped Gymnasium, outdoor sports playing courts, astro turf and grass pitches.

Pastoral Care is an integral part of the holistic education offered in the school and is catered for through a structured Peer Support System, Tutors, the Chaplaincy, Guidance Counselling and Learning Support Education, together with well-established discipline structures, thereby ensuring all students having the opportunity to learn, grow and develop in a safe and caring environment.

It is thirty years since Cashel Community School opened its' doors for the first time, in 1994, with the amalgamation of the three second level schools in Cashel. We continue to value the rich traditions upon which the school was founded while embracing change, nurturing respect, and local partnerships, and delivering high standards of teaching and learning for our current and future students. The exceptional achievements of our students in both the Junior Certificate and Leaving Certificate ensures that Cashel Community School has established an outstanding academic record which has facilitated our students progress to virtually every faculty in a variety of third level colleges.

The students, staff and I extend a warm welcome to you and invite you to visit our wonderful school. We assure you that we will work diligently for your child's best interests, both inside and outside the classroom. Thank you.

**Brian Moran** (Principal)

# Message from the Deputy Principals

Community schools combine the academic style education of the traditional Secondary School and the practically orientated programme of the Vocational School. In Cashel Community School we are enormously proud of our academic and extra-curricular programmes. We foster the individuality of each student within a very caring school community.

Our pastoral care programme provides a strong support network to our students and their parents. We foster relationships between staff and students which are respectful and we implement a Code of Behaviour, (agreed by all partners in the school community) which supports teaching and learning within a caring and safe environment.

"Enthusiasm" is synonymous with all our activities, curricular and extra-curricular. We are enormously proud of our reputation as an innovative, happy school.

We look forward to welcoming you into our community and to working with you as your child makes the transition to secondary school. We work closely with our feeder schools to ensure that your child is comfortable and happy with this new stage in life. Please contact us at any time if we can be of any assistance to you.

**Margaret Moore, John Murray & John Johnston** (Deputy Principals)

# Celebrating Achiev

Defying Gravity 2023 “Each year since its foundation the school has prepared and performed a musical. Such activities require careful planning and a great deal of behind the scenes effort from the teachers and stage-hands involved, as well as those who perform on the stage. This is evident from the fact that the staging of the recent show involved the efforts of over a hundred students.” WSE Report

“We are a Google for Education school educating all students to be self-directed, 21st century learners through Google Workspace for Education.

Throughout their time in CCS, students will use technology to store, showcase and reflect on their learning through a variety of mediums such as Google Docs, Google Slides and Google Sites, to name a few.”

**In the Classroom...**

Through a broad range of learning experiences/ curriculum our students are exposed to a variety of Active learning methods. Students are tasked to engage in their learning by thinking, discussing, investigating, and creating. In class, students practice skills, solve problems, struggle with complex questions, make decisions, propose solutions, and explain ideas in their own words through writing, discussion and creations.

The student's learning is reinforced through skills, technology-based learning, activity-based learning, group work, project method, etc

# Parents' Association

Cashel Community School has a dynamic Parents Association since 1994. It encourages all parents to participate and support the activities of the school, and acts as very valuable liaison with the school management.

Its many activities include:

- Book Rental Scheme
- Organise Debs with Student Council
- Guest speakers invited to meetings speaking on drugs, health, any topic related to parents concerns

Monthly meetings provide comprehensive reports from Secretary, Treasurer, School Principal and all committees. A.G.M. held annually in October, and the association is affiliated to PACCS. All parents are welcome.

# Parental Involvement

*Parents can be supportive by demonstrating study and organisation skills, explaining problems, or just encouraging students to take a break. Effective parent involvement comes when a true partnership exists between schools and families. Creating that partnership, especially around academics, is what works for student achievement.*

*(National Parents Council, 2014)*

**Homework can take a variety of forms including:**

- Written assignments
- Creative Assignments
- Learning Assignments
- Revision Work
- Oral homework
- Collecting information for projects
- Listening to tapes or CDs
- Preparing for debates, role plays etc.
- Homework has a positive effect on student achievement at second level.
- Parent expectations and aspirations are a critical contributor to student success.
- Parents should create an environment of support within the home.
- Parents should always reward effort rather than results.
- The Student Learning Diary is signed on a weekly basis.

Senior Student Council 2023/24

Junior Student Council 2023/24

## Student Council

The Student Council has been functioning in Cashel Community School since 1997. The Council provides a forum for students to express their opinions and enables them to play a partnership role with the staff, Parents' Association and Board of Management.

This ensures that the students play a positive role in our school's decision making process. A member of staff is responsible for liaising between Principal and Council. The Council meets on a regular basis and delegates report to their classes after every meeting.

The student council has been involved in organising various events such as the variety show and fundraising for local and national charities. Senior members co-ordinate the production of the 6th year Yearbook, the Class Mural and the Graduation night.

## Pastoral Care

- All members of management and staff exercise a caring role towards the students.
- Each class group is assigned a Class Tutor. This teacher regularly monitors the progress and welfare of each student. To assist with this there are scheduled pastoral care assemblies throughout the year.
- Each Year Head sees to the overall progress and welfare of his/her Year Group.
- The Career Guidance Counsellors and School Chaplain are always readily available to assist students who may need personal support.
- Students, of their own accord, can directly approach the Chaplain or Guidance Counsellors. In addition, parents/guardians, management and staff members may request support for a student. The Guidance Counsellors and Chaplain each have their own office where they meet with students individually.
- The School Chaplain gives students spiritual guidance.

# 1st Year... How it works

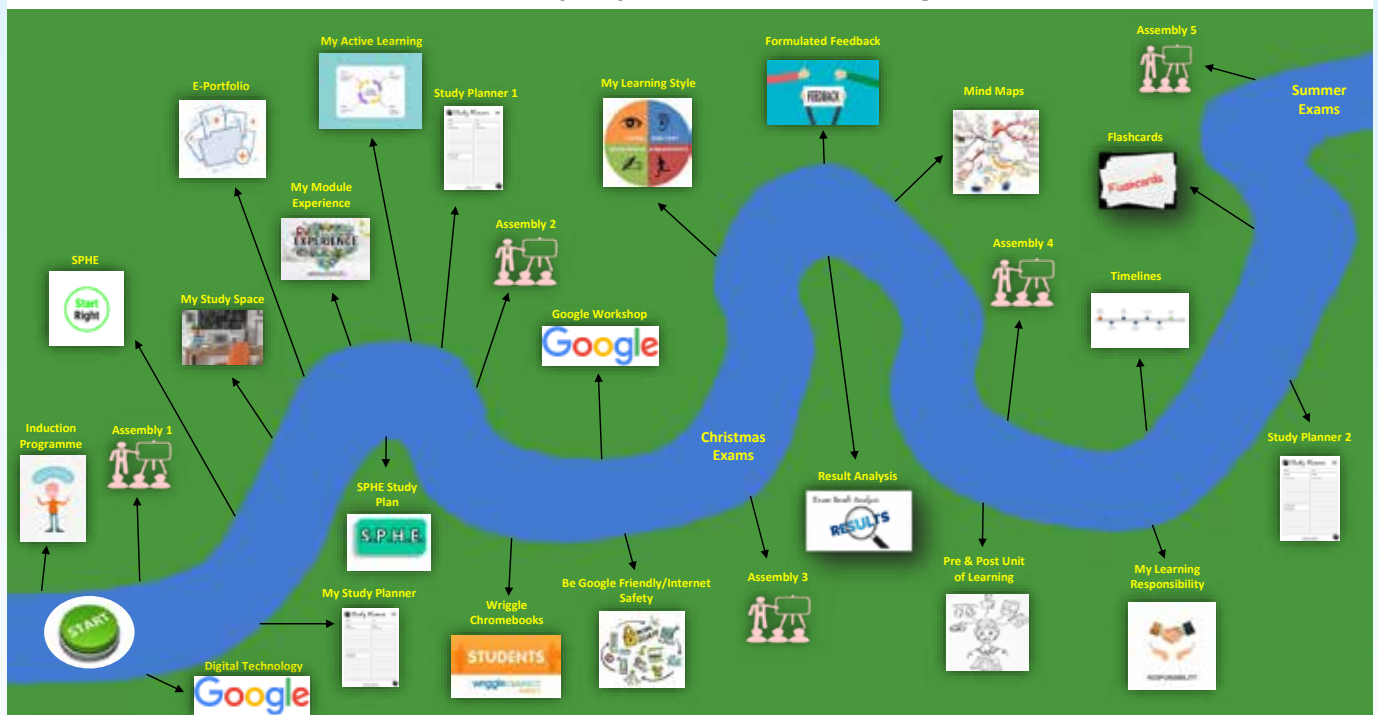

## LEARNING STRATEGIES

*We are all unique learners. Use the strategy that best suits you.*

We are very aware of how dramatic a change it is for any student to transfer to a new school. The transition from Primary to Secondary school is a significant challenge in a child's life. As a school we enjoy excellent relations with our colleagues in our feeder primary schools. We try our best to meet with all of the primary school principals so that we can get a true flavour of the student intake to CCS.

### 1st Year: Develop My Educational Learning

We are also acutely aware of the many varied needs that pupils present with as they start in secondary school.

We have a tailored S.E.N model that we feel really helps children and the various challenges they present with. We also help students whose first language is not English by offering an EAL programme.

Remember all 1st years fully immerse themselves in the 10 option subjects that we offer here in CCS. These are offered on a modular basis so that all students can be very sure of the choices they make going into 2nd year.

We operate a week long induction for all 1st years so that they really do settle in and familiarise themselves with our school and how it works. This happens in tandem with our Senior Cycle Students 'Links Programme' who are on hand to support and assist with your son/ daughter feeling safe, secure and happy with us here in CCS.

- Your son / daughter will be in a class group of no more than 24.
- 1st year lockers are based in the front of the building giving the student space to adjust to life in CCS.
- Our guidance department and Chaplain regularly connect with your son/ daughter. This aids the sense of belonging and community
- Guidance related learning in the key areas of student managing their study times – 1st years use many assessment for learning techniques mind maps/ time lines etc
- We understand that students present with an array of educational needs and our SEN model is designed to address and support these.

6th Year Link Students

## Home School Links

We believe very strongly that education must be based on close co-operation between parents and teachers. We have regular contact with parents through information evenings, parent teacher meetings, school reports and of course our Compass App.

By working in partnership we are ensuring that students reach their full potential so that they are prepared for life and are able to take their place in society.

**“Teachers encountered both inside and outside the classroom were highly professional, confident and caring.”**

DES Incidental Report 2023

## What the students say...

“It’s great because I have made a lot of new friends”

“It’s great fun because there are new people and new subjects”

“I really like secondary school because you get to meet lots of new friends and experience lots of new subjects”

# Innovative

ICT is redefining all areas of modern life, from education right through to employment. Through one-to-one learning, we are ensuring your students are provided with the greatest opportunity to grow, develop and blossom into successful young adults.

All incoming 1st year students will be asked to purchase a Chromebook.

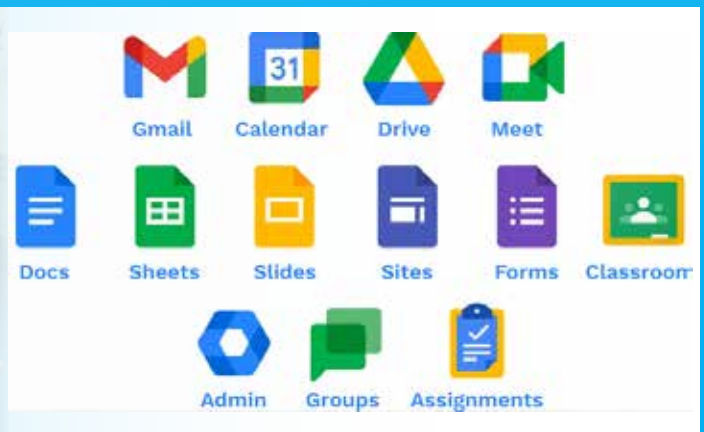

This encourages students to use a nominated electronic device (Chromebook) to complement their studies and learning techniques in addition to online resources such as digital textbooks.

## Helping expand learning for everyone

We believe that everyone - educators and learners at every age and stage - deserve the tools and skills that set them up for success in building the future they want for themselves.

Cashel Community utilises the G Suite for Education which is now the Google Workspace for Education Fundamentals – this suite of programmes comprises easy-to-use tools that provide a flexible and secure foundation for learning, collaboration and communication.

# Learning

Students were at the centre of the learning and there was a very strong evidence of teachers displaying a full array of teaching skills

# Scholarships and Bursaries awarded by the school

Each year the School awards the Godolphin Bursary and the Meaney Scholarship.

Students in 6th year are eligible to apply for these valuable awards, both of which were instituted to support students as they progress to Third Level.

In addition to these the School takes great pride in the number of students awarded Entrance Scholarships, Quercus Scholarships and JP McManus Awards.

# lling in Sports

Westcourt Cup Champions 2024

The importance of sports and games in Cashel Community School encompasses more than just the benefit of physical activity. We believe it's an integral part of increasing students' self-esteem, while developing confidence and mental alertness.

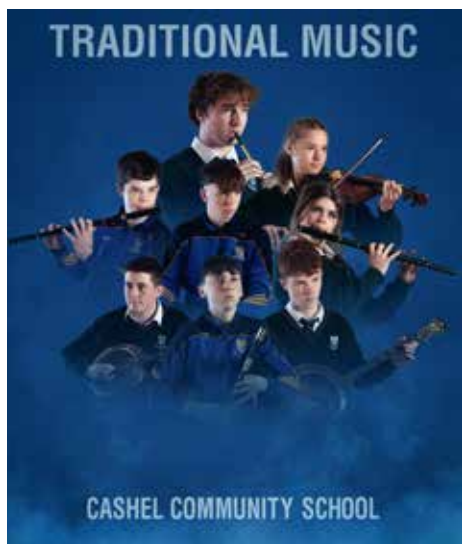

Student participation in sport and exercise results in a feeling of achievement and being part of something, as well as the enjoyment students get out of working together with their friends and peers, thus nurturing their social skills and thereby building character.

# Music, Arts & Drama at CCS

Senior Choir, Junior Choir, Chamber Choir, Trad Band, Rock Bands, Piano Lessons, Drum Lessons, Guitar Lessons, Vocal Tuition, Choral Music, Musical Theatre...the list is endless..not to mention Junior and Leaving Certificate Music Exams! It's certainly true to say that music is at the heart of Cashel Community School and every student is given the opportunity to partake. From the Musical to the Variety Show, and the competitions in between – including very successful trips to the Feis Maitiu in Cork, and the Wesley Interschools Music Festival. Our music is the background to the Awards Day, School Masses, Celebrations and Open Night and we are proud to be at the forefront of music in secondary schools.

## 1st, 2nd and 3rd Prize in BT Young Scientist Competition

Our school had had an incredible run in the BTYS competition in the past 3 years, taking 1st, 2nd and 3rd prize in the Senior Group Social and Behavioural Sciences section in successive years. In TY we now have dedicated classes every week to working on projects and this has resulted in great success in this highly prestigious national competition. Our students have had 4 successful project entries with 3 winning prizes as well as numerous other projects that students have worked on. This competition has developed great scientific skills in all the participants and brought them into contact with many professionals as consultants for their projects.

We congratulate the winners of the last 3 years and look forward to many more successes in the future.

# Making Time fo

## *'IT IS IN GIVING THAT WE RECEIVE'*

This ageless statement epitomises the spirit of giving and the culture of Cashel Community School. Our school community voluntarily give generously of their time and energy to numerous school and charitable causes, both local and international, such as

- Pieta House
- Concern
- Mo Chara Animal Rescue
- St. Vincent de Paul
- Trocaire
- Dillon Quirke Foundation
- CRITICAL - The Emergency Medical Response Charity
- Unicef

to name but a few.

The spirit that is fostered throughout Cashel Community School not only provides a much-welcomed boost for the charities; it develops and invigorates a social conscience and community spirit that will hopefully nurture the development of responsible young adults. This is also epitomised in our Links Programme. 5th and 6th Year students are matched with small groups of 1st Years and link with them formally as well as informally throughout the year.

## Student Awards

We aim to provide a broad education and to turn out students who are not only academically qualified but also good citizens. To motivate students towards the highest possible goals the school has developed an Awards System, which recognises student achievement across the full range of student activities. Awards include academic, full attendance, sports, music, art, creative writing and special achievements.

The aims of the awards are:

- to promote excellence
- to reward and encourage talent
- to foster and reward high achievement
- to encourage students to excel academically and personally
- to acknowledge student initiative and effort
- to create a sense of pride in students
- to recognise students who are involved in significant voluntary, community and charitable activity

# Cashel Community School to enhance student experience with Major Expansion

Cashel Community School is poised to revolutionise the learning experience for its students with a significant expansion project. After years of meticulous planning and design, the project is now open for tender, with the potential to become a reality within the next school term.

6 new general classrooms and a dedicated DCG room will offer students specialised facilities for design, construction and graphics, empowering them to explore their creativity and develop practical skills. Additionally, the new staff room will provide teachers with a dedicated space for collaboration and professional development.

Recognising the diverse needs of its student body, the school will relocate its two ASD classrooms and an SEN base, creating inclusive spaces tailored the requirements of students with special educational needs. The sensory garden will provide a calming and stimulating environment for students to relax, focus, and engage in sensory - based learning experiences.

The planned refurbishment of existing spaces, including the creation of a new canteen and student communal area, will significantly enhance the overall student experience. The canteen will offer a modern and inviting space for students to socialise and relax during break times, promoting a strong sense of community. The expanded building construction workshop will provide students with state-of-the-art facilities to develop their practical skills and explore career paths in the construction industry.
