## Creative Writing

This short course in creative writing is designed as an engaging and supportive introductory programme for aspiring writers looking to develop their skills, confidence, and creativity. Whether you are taking your first steps in writing or seeking to refine your craft, this course offers a structured yet flexible approach to exploring the art of storytelling.

Through a combination of guided group sessions and individual writing exercises, participants will delve into the core techniques of fiction, poetry, and memoir writing. You will learn how to craft compelling narratives, develop authentic characters, experiment with language and imagery, and explore personal experiences through memoir. Emphasis will be placed on nurturing creativity, overcoming self-doubt, and finding your unique voice as a writer.

In a supportive and collaborative environment, you will have the opportunity to share your work, receive constructive feedback, and engage in discussions that inspire and challenge your approach to writing. By the end of the course, you will have gained valuable insights, practical skills, and the confidence to continue your creative journey.
