Art – Watercolour Painting with Lisa Manton

Beginner Level & Continuation

Discover the beauty and versatility of watercolour in this relaxed, creative course with artist Lisa Manton.

Perfect for complete beginners, as well as those with some previous watercolour experience, the course combines demonstrations, guided exercises and painting projects to help you build your skills and develop your own style. Throughout the sessions we will explore:

- Essential watercolour techniques
- Colour, tone and composition
- Washes, layering, texture and effects
- Different subjects, including reference imagery and still life
- Developing your own creative style
- Sketching and planning

No previous experience is required. This course is suitable for complete beginners and for those to wish to continue from the previous term.

Core class materials will be provided. Students are also encouraged to bring their own watercolour paints, brushes and paper if they have watercolour materials they prefer to work with.
